

STONE GEL+

Stone & Terrazzo Deep Cleaner, Conditioner & Disinfectant

DESCRIPTION:

STONE GEL+ formulated with cutting edge ActivePlus™ Antibacterial Action Cling Gel technology is a ready to use, professional grade, high viscosity alkaline gel cleaner, conditioner, degreaser and commercial grade disinfectant. Perfect for vertical surfaces. Kills odours, disinfects, sanitises plus cleans light dirt, grease, grime, soap scum, wax, oil, mould and more. Ideal for neglected or heavy use areas. Helps inhibit mould growth. Kills E-Coli and S Aureus as evaluated in accordance with TGA Test for Commercial Grade Disinfectants.

SURFACE USE:

For cleaning, conditioning and disinfecting vertical surfaces. Ideal for Porcelain, Ceramic, Encaustic and Terrazzo Tiles, Grout, Concrete, Terracotta, Sattillo, Pavers, Mosaics (Stone, Metal & Glass), Shower Glass, Engineered Stone, Bricks, plus All Natural Stone e.g. Basalt, Bluestone, Granite, Marble, Limestone, Quartz, Sandstone, Slate, Travertine etc. Perfect for splash backs, kitchen, shower and bathroom areas. For indoor, outdoor, domestic and commercial use. For homes, hotels, motels, resorts, schools, child and aged care, restaurants, bars, shopping malls and more.

WHERE TO USE:

For household & commercial use. Ideal for living areas, bathrooms, kitchens, laundries etc. For commercial use e.g. hotels, motels, resorts, schools, child care, aged care, holiday parks, shopping centres, retail outlets, restaurants, bars and more.

TEST FIRST:

Always test first in an inconspicuous area to determine ease of application, dilution rate, colour stability and desired results. End user must determine suitability of product for their own use.

PRECAUTIONS & SAFETY DIRECTIONS:

1. Read entire label, SDS and technical bulletin before using;
2. Wear appropriate gloves, skin and eye protection;
3. Do NOT kneel in product or allow skin contact;
4. Do NOT breathe fumes, mist, vapours or spray;
5. Use when surface temperature is between 4°C & 32°C;
6. Do NOT allow contact with non recommended surfaces;
7. Do NOT mix with other chemicals;
8. Hard surface disinfectant only. Do NOT use on skin;
9. Regular use of high alkaline cleaners can affect sealers, coatings, grout colourants and floor finishes;

HOW TO USE QUICK GUIDE:

Pour directly onto glove, sponge or white pad

Smear the product evenly over the surface

Allow to dwell for at least 10 minutes then scrub

For dirty grout joints, scrub with a grout brush

Remove dirty solution with a wet vac then rinse

Surface is now clean and disinfected

HOW TO USE:

Ready to use formula. No dilution required. Use neat.

1. Sweep, vacuum, or wipe surface;
2. Pour Stone Gel+ to gloved hand, sponge or white nylon pad;
3. Smear Stone Gel+ evenly over entire surface to be cleaned;
4. Allow minimum dwell time of 10 minutes;
5. **DON'T ALLOW PRODUCT TO DRY ON SURFACE - ADD MORE;**
6. Scrub with a white nylon pad, scrub brush or scrub machine;
7. Remove the dirty solution with a wet vac or mop;
8. Rinse thoroughly with clean water;
9. Repeat the process as necessary.

LIMITATIONS:

- Badly stained or discoloured grout may require re-grouting or re-colouring with Colour'N'Seal;
- Refer to www.sealersplus.com.au for the appropriate heavy duty cleaning, stain removal or problem solving product.

ONGOING MAINTENANCE:

- **EZYCLEAN+** for routine, everyday cleaning and disinfecting;
- **XTREMECLEAN+** for heavy duty cleaning and disinfecting;
- **STONEWASH+** for heavy duty cleaning, disinfecting and conditioning of natural stone and terrazzo;
- **AQUAGUARD** for cleaning and help prolong sealer life span;
- **REFRESH+** spray and wipe cleaning and disinfecting of tables, bench tops, counter tops, vanities, bathrooms etc;

HANDLING, STORAGE & CLEAN UP:

- Close container tightly after each use and keep upright;
- Store in original container in a well ventilated, cool area & protect from sunlight;
- Do not re-use container. Rinse and discard in rubbish;
- Clean tools and clothing with water before they dry;
- Use before USE BY DATE. Use beyond that time does not necessarily mean the product is not usable. Do a small test area first;

FIRST AID: Immediately Contact Poisons Centre (Australia Ph: 131-126, NZ Ph: 0800 764-766) or a doctor. Ingestion: Rinse mouth. Do NOT induce vomiting. Eyes: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.
